- AgileSHIFT
- PRINCE2Agile – Foundation
- ITIL4 – Foundation
- MoR4 Enterprise Risk Management – Practitioner
- Data Science - Foundation

Key Takeaways

- The future workforce needs to re-align its skill capabilities
- The future workforce needs to stay relevant to changes and trends in the global industry
- The future workforce needs to embrace the most critical and important skill which is the skill to learn new skills as part of lifelong learning journey to remain relevant and skill fresh
- There is no bad certification ... There is only bad utilisation of the certification

Thank you

As you've seen, we're incredibly passionate about best practice and the results it can help you achieve.

We can't wait to see where *you* take it. **Any questions?**
